

DURO

With superior strength, absorbency and versatility, the Duro range of wipers and towels bring a higher grade of quality to Australian Industry and Healthcare.

DURO

Australian industry deserves our very best: Duro. With a wiper range that is effective and reliable under the stresses of dry or wet wiping, and a fast-absorbing towel range, Duro is there for you.

Ideal for use in the healthcare, medical, hospitality and cleaning industries, the Duro collection is made with care from quality sourced materials, which are converted right here in Australia by Caprice – a wholly Australian-owned family business.
